INTERNATIONAL CONFERENCE AND TRADE FAIR

GLOBAL CHALLENGES THROUGH THE PRISM OF RURAL DEVELOPMENT IN THE SECTOR OF AGRICULTURE AND TOURISM

Conference and Fair Objectives:

- ✓ Achieving a common understanding of the policy of agriculture and rural development;
- ✓ Identification and exchange of information on good practices for implementation in agriculture and rural development;
- ✓ Connecting Serbian scientific community with peers from abroad, companies, the non-government sector, and public institutions;
- ✓ Expanding knowledge base for rural and sustainable development;
- ✓ Promoting and intensifying professional communication and building a network for joint research, innovation and education;
- ✓ Increasing participation of small and medium-sized enterprises (SMEs) in the fair, for their promotion and business development;
- ✓ Exploring opportunities for young people, women, and persons with disabilities to find new or additional employment in the tourism and agriculture sectors;
- ✓ Strengthening economic inclusion of marginalized rural populations.
